considering the fact that the functioning of the offices at the above two places became uneconomical and non-productive;

(d) whether it is also a fact that the HMT Limited has also not made any headway in starting work on the Rupee 130 crore contract it had won from Tehran Metro, Iran, for setting up of a metro workshop; and

(e) if so, what are the reasons therefor and what action the HMT Limited is planning to take to start the work on the said project?

THE MINISTER OF STATE IN THE MINISTRY OF INDUSTRY (SMT. KRISHNA SAHI): (a) and (b) During 1994-95, the total value of exports of HMT (International) (HMT (I) was approximately Rs. 40 crore as against Rs. 48 crore during 1993-94. The fall was due to global recssion, lack of finances in trditional markets of HMT(I) and political and economic changes in eastern Europe and erstwhile USSR.

(c) HMT (I) offices are opened and closed from time to time depending upon the business potential of the region, viability etc. during 1994-95 the Australia and Iran offices were closed.

(d) and (e) Against stiff global competition, HMT(I) was awarded a contract in Iran by the Tehran Urban and Suburban Railway Co. (TUSRC) for settingh up a maintenance workshop valued at Rs. 130 crore. As per the terms of the contract, HMT (I) had performed its obligations towards the execution of the contract. TUSRC were, however, unable to open the Letter of Credit for supply of the machines and equipment due to their financial difficulties.
